

Cliftons Workplace

Workplace, Reimagined

Inspiring spaces, incredible features

Discover sophisticated and contemporary work suites designed for privacy or sharing. With a stunning coffee lounge, separate meeting rooms, fast internet and reception onsite, you'll find everything you need to make your business zoom.

Located in The epicentre of your city

With our CBD Workplaces now open in Sydney and Melbourne and other capital cities soon to follow, base your team in the centre of the action.

Flexible terms that set you free

Our month to month packages allow your business to breathe. We know your needs flex, so we do too.

Irresistible dining, unlimited caffeine

From irresistible all day dining to infinite coffee and chef-created networking packages, Cliftons hospitality team are at your service.

Be part of an uplifting community

Participate in regular community events with neighbouring professionals, from wine tastings to wellness classes and updates from esteemed thought leaders.

Expansive event space at your fingertips

When you need space for large meetings, conferences or launches you needn't go far. With the venue's infinite business event rooms you are truly located in Sydney's space HQ.
